Descriptions:

Unceded Journey: Through our Unceded Journey Tour, experience the history of Odawa Mnis (Manitoulin Island) and Wiikwemkoong – Canada’s only officially recognized Unceded Territory. Our guide will take you to four historic sites to view plaques and monuments and recount the history of Manitoulin Island. This educational experience will share the 1836 and 1862 treaties of Manitoulin Island, intrigue you with the local lore and legend of Zhibzhii the underwater spirit, and take you back in time to the now infamous “Manitoulin Incident”.

Debajehmujig Storytellers: The only professional theatre company on Manitoulin, with a variety of options to choose from- improv, a live performance, guided tour of their facility, and various art programs.

Making Footprints: Hike a portion of the Bebamikawe Memorial Trail along the Niagara Escarpment while our guides share medicinal plant teachings, stories of encounters with voyageurs, battles with the Iroquois people, and our relationships with settlers. Manitoulin is known as being one of the most plant diverse areas in North America and we have designed our hiking trail to flow through this diverse ecological habitat.

Ojibwe Cultural Foundation guided tour: The OCF is dedicated to nurturing Anishnaabek culture in all its forms. Your guide will take you through the Healing Lodge, Museum, Residential School Exhibit, Arts hub, and Gift shop (optional: craft-making activities in their workshop room)

Amik Ziibii Cultural Experience: Your Anishnaabe guide will share centuries old knowledge of plants, their edibility, and healing properties. You will connect with nature by learning about the traditional uses and sciences behind the teachings. Enjoy stunning vistas, hear the history of Point Grondine, and authentic Anishnaabe culinary cuisine to take home a new found appreciation for Anishnaabe Culture.
